Pursuing Holistic and Efficacious learning ceaselessly

At ARMIET, our vision is based on hardwork, open communication, strong emphasis on team work, and high level of responsibility. Our education is exponential with projects that are 'real', and complementary to classroom learning. We follow a professional approach towards studies, and our visionary culture prompts our wards not only to adapt to the present day challenges, but also to take up individual responsibilities towards society and the nation.

Dr Lavendra S. Bothra
Chairman (B.E., M.E., M.B.A., Ph.D.)

A Sustained Endeavour to provide Best Quality Education

At ARMIET, we treat our students as our own children and impart heart to heart communication for better understanding and outcomes. Our teachers motivate students to learn to navigate the competitive world with their own knowledge. We put our best efforts in making sure that each ARMIETian makes a mark with their excellence after passing out. Our Engineering students would work to optimize the productivity of global industries. Our college aims at achieving excellence in all spheres of technical education.

Shri Alamuri Venkateshwara Gupta
Alternate Chairman and Founder Trustee (B.E., M.M.S.)
