Summary of the event:

To create awareness about E-waste segregation with the students and people IEEE ARMIET and NSS organize an E-waste collection drive event at ARMIET campus and Sapgaoon village. The event is started on 27-03-2024 with a rally and E-waste collection from ARMIET campus to Sapgaoon Village. On 01-04-2024, a valedictory session is hosted by IEEE ARMIET, where Ms. Bhavika Wagela and Mr. Nirav Raval took session.

Ms. Bhavika Waghela, representing Tech Eco, a tech waste recycling and reusing company, shed light on the concept of a circular economy formed through e-waste reuse and recycling. She emphasized the importance of sustainable practices in handling E-waste, minimizing environmental impact, and conserving valuable resources.

Mr. Nirav Raval, the visionary founder of Naman Angels India Foundation, delved into the vast scale of electronic production in India, emphasizing the need for responsible disposal and recycling to combat the mounting e-waste crisis.

Conclusion:

With this event we can understand that E-waste recycling is an important process that helps to protect the environment and conserve natural resources. By properly disposing of e-waste, we can reduce the number of harmful chemicals released into the environment and prevent soil and water contamination. Through this event experts, students, nearby people and industry leaders came under one umbrella to collectively work towards a more environmentally friendly and circular approach to managing electronic waste.

SUB: Appreciation Letter for delivering Expert Talk.

Dear Sir,

I hope this letter finds you in good health and high spirits. I am writing to express our heartfelt gratitude for giving an expert talk on the "How to contribute towards saving environment" on 01/04/2024 under E-Waste awareness program organized jointly by IEEE ARMIET Branch and NSS ARMIET.

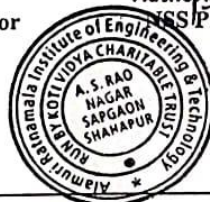

Thank you for giving your valuable time and sharing your knowledge about what is E-Waste, what are the different types of E-Waste and what are the different steps that can be taken to save the environment by recycling E-Waste.

We look forward for the same cooperation from you for our future events.

SUB: Invitation to Be Guest of Honor and Keynote Speaker for E-Waste Drive
Concluding Day

Dear Ma'am,

I hope this email finds you well. I am writing to extend a formal invitation to you to serve as the Guest of Honor and Keynote Speaker for the concluding day of our E-Waste Drive, organized jointly by IEEE ARMIET and NSS ARMIET.

The E-Waste Drive aims to raise awareness about the importance of responsible electronic waste management and promote sustainable practices within our community. As a prominent figure in the field of technology and sustainability, we believe that your insights and expertise would greatly enrich our event and inspire our participants.

The concluding day of the E-Waste Drive is scheduled for **April 1st, 2024**, and we would be honoured to have you join us for this significant occasion. We will be sharing further details of the program with you shortly, including the agenda and any specific requirements.

Your presence as the Guest of Honor and Keynote Speaker would not only lend credibility to our initiative but also serve as a source of motivation for our volunteers and participants. Your valuable contributions to the event will undoubtedly make a positive impact on our collective efforts towards environmental conservation.

Kindly save the date, and we sincerely hope that you will accept our invitation. Thank you for considering our invitation. We eagerly await your response and look forward to the opportunity of hosting you at our event.
