Technical Education (DTE) Maharashtra, Affiliated to University of Mumbai.
Accredited by NAAC with 'B+' Grade | ISO 9001 : 2015 Certified

Master Of Management Studies (MMS) MB3219

**Shaping Leaders,
Transforming Futures**

“Shaping the leaders of tomorrow with knowledge today and wisdom forever.”

// About Us

ARMIET, established in 2008 by Koti Vidya Charitable Trust, offers Bachelor's, Master's, and Diploma programs in seven engineering disciplines and a Master of Management Studies. Located in Sapgaon, Shahapur, amidst lush greenery and the Bhatsa River, the serene campus provides quality education, inspiring students to excel and achieve their goals. The institute is dedicated to fostering innovation, leadership, and academic excellence among its students. With modern infrastructure and experienced faculty, ARMIET ensures a holistic learning experience for aspiring engineers and management professionals.

// Our Mission

- To teach students basic concepts of science and fundamental engineering principles by encouraging an interdisciplinary approach for comprehensive, broad-based learning.
- To provide hands-on training by executing project-based learning, industrial internships, and value-added programs.
- To train professional thinking and attitude building to be sensitive to the needs of the society

// Our Vision

To create excellent managers by updation of knowledge and upgradation of managerial skills to enhance the industrial and economic development of society.

// Vision of MMS

To create excellent managers by updation of knowledge and upgradation of managerial skills to enhance the industrial and economic development of society.

// Mission of MMS

- To nurture the skills and attitude of the stakeholders to be more sensitive to the needs of the society and excel in improving the quality of life.
- To Provide a platform for the students to develop and hone their interpersonal skills and communication skills at par with the corporate world.
- To provide entrepreneurship and innovations skills in their respective field of management.

Our Trustees

Shri. Alamuri Venkateshwara Gupta

CCTV surveillance

Dedicated Ambulance and
medical center for students.

The Campus is located in the
lap of nature which helps keep
the students' minds fresh

Auditorium

College Bus facility
from Asangaon/Bhiwandi
Railway station

Playground, Cafeteria
and common rooms

Meditation

Special Classes

Well Equipped Gym

// Why MMS?

It is certainly true that there are many streams and courses available but it is strongly believed that MMS students are comparatively more capable and skilled when it comes to delivering the best and achieving the maximum. considered to be multi-skilled individuals with good inter personal skills, quick-on- the-feet thinking ability, good knowledge of the market, awareness of the latest business news, and strong command over financial issues. Over and above, they are also known to have a powerful understanding and willpower that helps them cope up with stringent deadlines and increasing time constraints in the corporate world.

// ARMIET's MMS: Your Gateway to Leadership and Success

ARMIET's Master of Management Studies (MMS) program is uniquely designed to shape future leaders with the skills, aptitude, and knowledge to thrive in a competitive marketplace. Combining theoretical knowledge with practical exposure, the program emphasizes real-world learning through case studies, projects, and industry interaction. This integrated approach fosters critical thinking, teamwork, and strategic decision-making, preparing students for diverse careers in finance, marketing, HR, and operations, with assured placements as a key outcome.

Specializations

MARKETING

ARMIET College offers a Marketing specialization combining academic knowledge and practical exposure, preparing future-ready professionals for success in the dynamic and competitive marketing industry.

01

FINANCE

The Finance specialization at ARMIET College combines theoretical learning with practical experience, preparing future professionals to thrive in the dynamic and competitive finance industry.

02

HUMAN RESOURCE MANAGEMENT

The Human Resource Management specialization combines theoretical learning with practical experience, preparing future professionals to excel in the dynamic and evolving HR industry.

03

SYSTEM & DIGITAL BUSINESS

The System specialization combines theoretical learning with practical experience, preparing future professionals to excel in the dynamic and rapidly evolving IT and systems industry.

04

OPERATIONS & SUPPLY CHAIN

The Operations specialization combines theoretical learning with practical experience, preparing future professionals to excel in the dynamic and ever-evolving operations industry.
